

15% COCONUT OIL

Pure Liquid Hand Soap

DESCRIPTION

A pure refined coconut oil soap which provides copious lather and excellent cleaning action. This all natural coconut soap is manufactured from the whole coconut oil retaining the natural glycerine. The soap is saponified in a high powered reactor and utilizes de-ionized water, along with sequestering agents to insure sparkling clarity.

PRODUCT FEATURES / BENEFITS

- Made from natural Coconut Oil / Contains all of the natural emollients and humectants
- Offers maximum mildness to skin / Cannot dry, crack, or irritate even the most sensitive skin
- Traditional "Green Soap" appearance / Has the appearance and odor recognized as the standard for hand cleaners
- Fast acting rich lather / Imparts the feeling of quality
- Non-corrosive to dispensers / Safe for even chrome plated metal dispensers

DIRECTIONS FOR USE

A high quality pure coconut oil hand soap designed for personal cleaning and dispenser use. Adjust water temperature, wet hands, and apply a small quantity of soap. Work into a rich lather, then rinse. Dry completely with a clean cloth or paper towel, or hot air. Complete drying is essential to protect against chapping.

Wet hands, then apply a small quantity of the hand soap. Work into a rich lather and thoroughly rinse away. Completely dry hands with a clean towel, or hot air dryer. Leaving hands wet or damp, particularly during winter months, may lead to chapping.

SPECIFICATIONS

Soap Type Refined coconut oil
Odor Pleasant
Free Acids None
Glycerine retained Yes
Essential Oils Yes

Viscosity (cps) < 15
Specific Gravity (gr/cc) 1.040 ± .005
Density (lbs/gal) 8.47 ± .03
Sequesterants Yes
Shelf Life..... 1 year minimum in original unopened container
