Includes: static-dissipating vacuum hose, 50' extension cord, and two Intercept Micro Filters.

*All specs are based on motor specs.

Optional powerhead available for more effective cleaning of high pile carpet.

VERSATILE • LIGHTWEIGHT • ERGONOMIC

Advantages

Organically treated Intercept Micro Filters, along with our Four Level Filtration system, are up to 99.9% efficient at capturing dust mites, pollen, bacteria and other particles measuring 1 micron and larger.

Lightweight backpack vacuum eliminates pushing, pulling and dragging required with other heavy vacuums.

Utilizes mountaineering-style backpack technology to carry the vacuum comfortably and ergonomically across the hips.

The Sierra has earned the Gold Seal of Approval/Green Label from the Carpet and Rug Institute (CRI), signifying the vacuum system meets higher standards for carpet cleaning effectiveness and indoor air quality.

Meets the requirements of the U.S. Green Building Council's LEED rating system for Green Cleaning – Sustainable Cleaning Equipment.

Captures and contains more dust to virtually eliminate follow up dusting tasks.

Mid-size capacity and low profile design is ideal for vacuuming smaller areas.

Integrated tool belt keeps accessory tools within your grasp.

Warranty*

3 years on parts, labor and motor.

Lifetime on body.

*see owner's manual for complete warranty details
