Looking for an Indoor / Outdoor Coating with ...

STAMINA

- ✓ Excellent resistance to water (weather)
- ✓ Excellent resistance to stains
- ✓ Excellent resistance to abrasion
- ✓ Excellent UV stability
- ✓ Will not whiten, blush or "peel-off"
- ✓ Easy to apply water-based formula
- ✓ One step, no surface etching required
- ✓ Self-sealing, no primers or sealers are needed
- ✓ Fast drying
- ✓ Low Odor Formula
- ✓ Dries to a high gloss

Add brilliance, beauty and protection to any surface.
Excellent surface protection from the damaging effects of weather, UV light, stains, abrasion and soil.

PERFORMANCE EVALUATION

Perfect for any indoor or outdoor surface, this unique clear coating delivers unmatched performance and excellent stain resistance in a durable, fast drying, protective coating. **STAMINA** provides long lasting performance because of the ability to resist stains, chemical attack, and to make clean up easier.

STAMINA

INDOOR / OUTDOOR SURFACE COATING

STAMINA is a water-based Indoor / Outdoor hard surface sealer that provides superior resistance to moisture, grease, solvents and other foreign materials.

Outstanding durability; coating will not whiten, blush or “peel-off” surfaces. Ideal for concrete, terra cotta, brick, pavers, saltillo tiles, as well as a wide variety of unglazed ceramic tiles. Can achieve a high gloss in as few as 2 coats!

| WHERE TO USE | |
|-------------------------------------|-------------------------|
| Office Buildings | Supermarkets |
| Manufacturing and Industrial Plants | Retail Stores |
| Shopping Centers | Schools |
| Indoor / Outdoor Plazas | Educational Facilities |
| Parking Lots | Swimming Pool Surrounds |
| Auto Repair Shops | Auto Dealerships |
| Warehouse Facilities | Storage Facilities |

DIRECTIONS FOR USE

Floor Preparation for all Interior / Exterior Surface Applications:

Remove all grease, oil and other foreign materials from the surface with **CONKLEEN 204** Concrete Cleaner. If previous coatings are present, remove the coating with appropriate stripper. Rinse the surface thoroughly and allow to fully dry prior to application of **STAMINA**.

Application: Apply **STAMINA** using a rayon or other floor finish mop, lambs wool applicator or paint roller. Apply

the first coat of **STAMINA** using a thin, even coating on surface. Allow a minimum of 45 minutes drying time prior to application of additional coats.

Routine Maintenance: Damp mop floors with mop & bucket or clean with an automatic scrubber using appropriate NCL Neutral Floor Cleaner following label directions. For areas that require heavy cleaning or degreasing, select appropriate NCL Degreaser Cleaner following label directions. Rinse surface with water after cleaning.

TECHNICAL SPECIFICATIONS

Color White, opaque liquid
 Odor Typical acrylic
 Non-Volatile Solids (%) 22.0 ± 0.5
 pH 8.25 ± 0.25
 Drying Time (minutes) 30 - 45
 Coverage (sq. ft./gal) 2,500
 Specific Gravity (gr/cc) 1.017
 Density (lbs/gal) 8.471
 Slip Resistant Yes

Freeze Thaw Stable Yes (3 cycles)
 Detergent Resistant Yes
 Leveling Excellent
 Water Resistance Excellent
 Black Mark Resistant Excellent
 Scuff Resistant Excellent
 Resistant to Soiling Excellent
 Gloss Retention Excellent
 Immediate Wet Look Gloss Outstanding
 Shelf Life 1 year min. unopened container

ADDITIONAL FLOOR CARE PRODUCTS

Product No.: 0560

Floor Prep - Heavy Duty Cleaner

CONKLEEN 204 Heavy-Duty Concrete Cleaner

Extremely powerful, water-based, penetrating cleaner that rapidly removes rubber tire marks and other stubborn soils from concrete, stone, tile, brick, non-polished marble, terrazzo and magnesite floors.

Product No.: 1058

Floor Stripper

BARE BONES No-Rinse / No-Scrub Liquifying Stripper

A 55% active speed stripper that easily cuts through multi-layers of burnished floor finish. This "true" no rinse stripper does not contain potassium hydroxide or sodium hydroxide, yet, is the fastest working liquifier on the market. Low foaming, no scrub and no rinse features make this product a must for all professional floor care systems.

Product No.: 0935

Neutral Cleaner

ENHANCE Neutral Floor Cleaner

An alkaline-free cleaner designed for maintaining wet-look gloss floor finishes. Low to moderate foaming, this balanced detergent formula emulsifies soils for easy film free cleaning. May be used through an automatic scrubber. Fresh lemon fragrance provides a pleasant scent.
